

SAMMAN SHAEHZADI
Full Stack Developer | MERN & Next.js
03084244569

Objective

Results-driven Full Stack Developer passionate about building scalable, user-centric web applications that solve real problems. Aims to leverage hands-on project experience and strong problem-solving skills to deliver high-performance solutions, contribute to product innovation, and grow within a forward-thinking tech company. Committed to writing clean, maintainable code and delivering impact from day one.

Experience

- Hadian Creative Hub | Kot Moman** 06/01/2025 - 08/30/2025
Full Stack Developer | Next.js & MERN Stack
Worked as a Full Stack Web Developer using Next.js and the MERN Stack, gaining hands-on experience in frontend and backend development. Worked with React.js, Next.js, Node.js, Express.js, MongoDB, REST APIs, authentication, database integration, and responsive UI development. Strengthened practical skills in debugging, version control, collaborative development workflows, and building maintainable web application features.
- MEEZAN MARKETING | Lahore** 06/01/2024 - 10/30/2024
Seller Executive
I worked in a company as a Seller Executive, where the customer was given all the details of the plot and its booking was also done.
- MindBridge | Lahore** 03/01/2025 - 06/30/2025
Data Entry Operator
Worked as a Data Entry Operator in NV Team at KLP Building.
Key responsibilities included:
 - Processing client cases by opening product IDs in the system
 - Extracting and entering product details including Name, Brand, Title, and Category
 - Creating and maintaining product data sheets with 100% accuracy
 - Submitting completed data for e-commerce client listings
 - Ensuring data quality and meeting daily targets in a fast-paced environment

Education

- University OF Sargodha** 2021.2023
Master of Science in Physical Education
3.59

Certification

- Full Stack Developer | MERN Stack & Next.js

Provider: Hadian Creative Hub

Start Date: 07/01/2024

End Date: 05/30/2025

Completed a comprehensive Full Stack Web Development certification program at Hadian Creative Hub (July 2024 – May 2025), covering in-depth training in the MERN Stack and Next.js. Throughout the program, completed hands-on practice tasks and assignments to apply core concepts in React.js, Node.js, Express.js, MongoDB, JavaScript, REST APIs, authentication, and responsive UI development. Built a strong foundation in full-stack web development principles, database design, and modern development workflows.

Publication

- **Writer | Novels & Poetry**

Writing has been a meaningful part of my life for 11+ years. I write novels, poetry, and reflective pieces based on real-life experiences and human psychology. This practice has strengthened my creativity, communication, and attention to detail – skills that help me build user-friendly and engaging web applications.

skills
